School of Business
Curriculum Committee
September 21, 2011

Meeting called to order at 1:10 p.m. (Don Adams)

Present:

Joo-Eng Lee-Partridge (Management Information Systems)

Nara Mijid (Economics)

Don Adams (Philosophy)

Paul Mihalek (Accounting)

Dan Miller (Management)

Dan Miller was unanimously elected chair of the committee.

The meeting schedule for 2011-2012 was distributed to all.

Don requested that future meetings begin at 1:15 p.m. New time was agreed to by all.

Dan described to Don the curriculum process for the School of Business.

Don explained that because of the Banner system major course changes took a year to get into the system. Also, course revisions are usually good for the next semester.

Don suggested that department reps check two weeks after the Senate meeting for inclusion of changes.

The proposed changes to the Marketing proposal were tabled because no representative from marketing was present.

There was discussion of the value of a one year catalog versus a two year catalog. Our committee believed that a one year catalog would be much more valuable to faculty, especially in the area of advising.

Meeting was adjourned at 1:25 p.m.

Respectfully submitted,

Paul Mihalek
