2.0 APRIL AGENDA DISCUSSION

At the March round of meetings, a list of courses that have not been offered since Summer of 2017 was discussed. This list will be revised based on feedback from departments and included on the April Curriculum Committee Agenda. Every department with courses on this revised list should look at the courses and decide what they want to do. If you want a course removed from the list just simply email the curriculum chair, burkholder@ccsu.edu with the reasoning for keeping it and it will be removed from the list. Courses that remain on the list will be considered for deletion by curriculum subcommittees and the full committee in April. These changes will not take effect until the Fall 2022 catalog.

Here ends possibly the shortest Curriculum Report ever.
