Wed Apr 28 Main Meeting

III. Bachelor of General Studies program

- Bachelor of General Studies program has been discussed and approved with the following amendments.

1) Students must complete the equivalent of one full-semester course load at CCSU before they may apply to the Bachelor of General Studies program (If faculty senate has objection to this amendment, alternate language could be substituted accordingly).

2) An interim report must be generated two years after the start of the program in order to document the enrollment numbers.

*Minor editing requested by Mathew Foust has been approved.

IV. Equity, Justice, and Inclusion Proposal

- All of the EJI designated courses have been approved (as they have been in all subcommittees).
- See consent agenda document for the list of courses approved for EJI designation.

V. Consent Agenda

i. Minor Changes

- Under the minor changes from CLASS, ENG 407 must replace HIST 407 (for spring cycling).
- CET 468 and CET 489 has been added to the consent agenda.
- See consent agenda document for all minor changes (Theatre, MAT Program, CLASS, Computer Science, Biology, Doctor of Nurse Anesthesia Practice)

ii. Items Removed from the Consent Agenda

- Three items were pulled from the consent agenda and considered separately.
 - 1) ANTH 375 has been approved.
 - 2) AST 212 has been approved with the following amendment: course may be repeated one time with a different topic.
 - 3) Technology Management B.S. has been approved with the following amendments:
 - “OR” MATH 119 → must be added to the MATH 115 requirement
 - “OR” PHYS 121 “OR” PHYS 125 → must be added to the PHYS 111 requirement
