- a. STAT 208

4) Minor Changes

- b. BMS 190:

i. Old

1. Title: Introduction to Research I
2. Description: Weekly discussions with research seminars, presentations by students currently doing research, and other instruction appropriate to the first year biomolecular sciences major (portfolio, career advising, workshops, etc.). One hour per week.

ii. New

1. Friday Seminar in Biomolecular Sciences I
2. Description: Introduction to research opportunities in Biomolecular Sciences at CCSU. Includes seminars and poster presentations by faculty and students currently engaged in independent research projects. Introduction to career opportunities for BMS majors in health professions and in research through alumni panels and guest speakers. Students develop a portfolio, including resumes and personal statements, and receive course advising. One lecture hour per week.
