Academics Standards resolution (Warshauer/Osterreich)

" In order to conform with Hartford Consortium practices among Member Institutions, of which CCSU is one, all courses taken at Consortium Member institutions will be given full credit, including GPA calculations, in CCSU transcripts and will for all intents and purposes be considered a CCSU course."

Sen. Warshauer clarified that students pay tuition at their home institutions. He would also check with the Registrar whether consortium courses are counted in the home institution load and whether there are potential problems with too many credits.
