Safety and Environmental Health Committee report: (P. Kyem)

By Connecticut State statute, every agency of the State must have a safety and environmental health committee. The existing committee is composed only of faculty belonging to AAUP and SUOF/AFSCME bargaining units on campus. There are five other bargaining units at CCSU. It was suggested that the University have a single Committee that includes all the bargaining units.

Motion was made to Dissolve the current Faculty Safety and Environmental Health Committee : (Osterreich)
