Curriculum Committee Report (Pudlinski, Chair): November 2005 report presented by Chair Pudlinski

i. Addition of new courses in Computer Electronics & Graphics Technology, GRT 232, 332, 432

Motion to approve (McKinney): passed

ii. Course revision in Physical Education, PE 445

Motion to approve (Gendron): passed

iii. Course additions in the School of Arts and Sciences, FYE 101 (1 credit), FYS 101 - 106 (2-4 credits)

Dean Roth indicated that currently about 60% of students who want to enroll in FYE courses can be accommodated. FYS (seminars) will offer opportunities to develop topics not part of the general curriculum (like Politics and Science, Business and Society). Additional 27 sections of FYE required. All FYS courses will have to be approved by the General Education subcommittee

Questions were raised on availability of faculty. President Miller's request for at least five additional faculty in Arts and Sciences was mentioned.

Motion to approve (McKinney): passed with 1 opposed and 1 abstention

iv. Change name of specialization from: Professional Counseling to: Professional and Rehabilitation Counseling ; Course revision to CNSL 501, 525 and 531
