From September 25, 2006 CCSU regular Senate meeting:

Senator Spector moved the following resolution:

The Senate expresses its dissatisfaction with the lack of decision by September 25, the deadline for candidate notifications for promotion and tenure for the next round of consideration, by President Miller on the five promotion and tenure cases that were the subject of the grievance settlement between AAUP and the University. The Senate affirms the spirit of the letters from AAUP President White and Senate President Craine urging timely action on these cases. The Senate expresses its concern for our colleagues who are left in limbo by the delay and about the appearance of gender discrimination by the University.

Senator Spector moved that the voting for the previous motion be done by paper ballot:  
Passed.

The resolution passed, 47-6.
