Curriculum Committee moved the following resolution regarding the undergraduate catalogue: Passed.

Whereas the deadline for the print publication of the undergraduate catalog has been the deadline for the April curriculum meeting and whereas the subsequent publication of the catalog has been in late summer and whereas the incoming freshman have not been given the new catalog during freshman orientation, it is resolved that the deadline, which shall take effect in Fall 2008, for submissions to be accepted for the undergraduate catalog shall be the deadline for the December curriculum meetings in even years.

Note: The revised deadline under this proposal will be around November 7, 2008 for the 2009-2011 Undergraduate Catalog.
