Proposal for an Ad Hoc Committee for General Education at CCSU

This is a proposal for the creation of an ad hoc committee charged with examining the status of General Education at CCSU. The committee will first report to the Faculty Senate by 7 February whether there is a need and/or desire to redesign the General Education program at CCSU. If the committee reports back in the affirmative, then the committee will be charged with designing a General Education program that takes into account the needs of our students, as well as our faculty resources; the new design should attempt to be cost neutral. The committee should bring the design to the General Education Subcommittee of the Curriculum Committee and the Curriculum Committee, so that it can come before the Faculty Senate by 23 April 2012. Once the committee presents a design accepted by the Faculty Senate, it will dissolve and be replaced by a committee charged with the task of implementing the new General Education design.

If formation of the committee is approved by the Senate, the following will be asked to serve on this committee:

- Robert Wolff, nominated by A&S dean
- Mary Anne Nunn, nominated by A&S dean
- SEPS Faculty member, nominated by SEPS dean
- SOB Faculty member, nominated by SOB dean
- SET Faculty member, nominated by SET dean
- Thomas Burkholder, former chair of Curriculum Committee
- A&S faculty member representing Fine Arts, nominated by the A&S dean
