## **CCSU Faculty Senate Resolution in Support of Chicago Teachers**

Whereas all students deserve the right to a quality public education.

Whereas education “reforms” that privatize schools, dismantle the tenure system, and tie teacher compensation to student performance on standardized tests hurt both teachers and students.

Whereas teachers perform their jobs best when they have fair compensation and protection from arbitrary dismissal.

Whereas the threats against teachers in Chicago are part of a national attack against teachers and unionized public employees.

*Be it resolved that the Central Connecticut State University Faculty Senate stands in solidarity with the Chicago Teachers’ Union and upholds the importance of a quality public education, with a broad and diverse curriculum, for all students.*
