Re : The Board of Regents Teaching Award Committee 2017 Annual Report

Dear Faculty Senators,

The Board of Regents Teaching Award Committee reviewed four nominations for the full-time faculty teaching award and three nominations for the adjunct teaching award. All of the nominees have been excellent teachers and it was not easy to pick one nominee.

- The Board of Regents Teaching Award Committee recommend that Prof. Barbara Clark to be the recipient of the Board of Regents Teaching Award.
- The Board of Regents Teaching Award Committee recommend that Donald Rogers to be the recipient of the Board of Regents Adjunct Teaching Award.

Both names were submitted to the Provost office on December 15, 2016

Best,

The Board of Regents Research Award Committee
Joseph Farhat- Chair
