

# Memo

**To:** Dean Alfano  
**From:** Dr. Tait  
**Date:** 11/9/16  
**Re:** DEC Hardship

---

The Department of Counseling and Family Therapy is in a hardship situation with the DEC due to recent retirements by two tenured faculty. The department currently has only 3 eligible tenured faculty that can serve. The DEC is requesting the addition of two tenured faculty from other departments to serve on the committee. Dr. Carolyn Fallahi from Psychological Science and Dr. Delia Gonzalez-Sanders from Social Work have agreed to serve on the Counseling and Family Therapy DEC with the permission of the Dean and the CCSU Faculty Senate. We appreciate your consideration.

Sincerely,

Connie Tait, Ph.D.

Chair/Professor

Department of Counseling and Family Therapy
