Re : The Board of Regents Teaching Award Committee 2018 Annual Report

Dear Faculty Senators,

The Board of Regents Teaching Award Committee reviewed one nomination for the full-time faculty teaching award and two nominations for the adjunct teaching award. All the nominees have been excellent teachers, have been doing excellent work in their classrooms and contributed to CCSU students' success. After careful consideration of each application, the committee made the following recommendations:

1. The Board of Regents Teaching Award

The Board of Regents Teaching Award Committee recommend that ***Prof. Mark Cistulli*** to be the recipient of the Board of Regents Teaching Award.

2. The Board of Regents Adjunct Faculty Teaching Award

The Board of Regents Teaching Award Committee recommend that ***Alice Luster*** to be the recipient of the Board of Regents Adjunct Teaching Award.

Both names were submitted to the Provost office on December 12, 2017

Best,

The Board of Regents Teaching Award Committee

Joseph Farhat- Chair
