Effective for all students matriculating on or after Fall 2018 the residency requirement for earning a degree from CCSU are: a minimum of one-fourth of the total credits required for the undergraduate degree program must be completed in residence. Programs in the School of Business require that at least 50% of the business credits needed for the business degree be earned and completed at Central Connecticut State University.

This includes at least 15 credits in the major (at least 12 of which must be at the 300 or 400 level) and 9 credits in the minor for those students who are required to have or choose to have a minor. For programs with no minor, the residency requirement is still 15 credits in the major.

## THIS PART OF THE RESIDENCY REQUIREMENT REMAINS UNCHANGED (no approval needed)

In no case will a degree be granted unless a student is matriculated for a minimum of one year at the time of graduation. Any student has the option of completing the program requirements in effect during the catalog year when s/he entered the program or electing to abide by any new set of program or university requirements in a subsequent catalog year while the student remains in the program. Courses that do not Carry Credits toward Graduation: ENG 099 and MATH 099 ENG 099 and MATH 099 are three-credit courses. The grade awarded will be computed into a student's GPA, but the credits will not count towards the number of credits required for graduation.
