

Proposed that Senate create a Senate University List Serve, with the following considerations:

All members, alternates, ex-officio members and electors to Senate will be automatically included.

Material submitted should be directly or indirectly related to the university and its policies, context, and mission.

Postings are limited to individual member's commentaries or notices of university or related events, and may not include forwarded external emails or simply reproduce external content.

Individuals can post no more than twice a day, without any further limits;

Postings must respect the culture of mutual respect, community and collegiality; and

The steering committee, or a committee appointed by it, will consider violations of this policy only upon a complaint formulated by a member of the listserve, with the ability to warn in private or on the list any violation of guidelines. Any more serious measure requires Senate approval.
