

## **ACADEMIC INTEGRITY COMMITTEE**

### **FINAL REPORT FOR ACADEMIC YEAR 2020-2021**

Submitted by Maria Boeke Mongillo, Committee Chair  
April 26, 2021

Following the successful revision of the Academic Misconduct Policy, and subsequent approval by the Faculty Senate at the end of the 2019-2020 academic year, the AIC worked to share information about the policy. The first step was to update the Academic Integrity website to reflect the new policy, the policy guide, and the committee members. Next, the committee worked to create one page information sheets for students and faculty. The one-sheets included definitions about misconduct, contained links to websites and forms, and offered some suggestions for avoiding or uncovering misconduct. Then the committee focused on brainstorming how to further update the website to make it user-friendly. These additional changes to the website are likely to happen at the beginning of the next academic year.
