SUBJECT: RECOMMENDATION TO AWARD B.S. MECHANICAL ENGINEERING
POSTHUMOUSLY TO BRANDON DARRELL HENSEL

I recommend that Mr. Brandon Darrell Hensel be awarded a Bachelor of Science degree in Mechanical Engineering posthumously at or before CCSU's Spring 2021 Commencement.

Mr. Hensel tragically passed away on Sunday, February 28, 2021, as a result of an automobile accident. During Spring 2021, Mr. Hensel was in good academic standing and was enrolled in 15 credits of upper-division mechanical engineering courses for Spring 2021, having already completed 115 credits toward his degree.

Recommendations from the Department of Engineering; the department chair, Dr. Nidal Al-Masoud; and from Dean Ju Kim accompany this request.
